At **ACCESS Care at Home** our primary concern is that you are comfortable and provided for.

At your initial meeting we will discuss your needs and expectations. We will collaborate with you to develop a personalized service plan. This plan will detail how **ACCESS Care at Home** can provide you with the care and support you desire.

Upon your approval of your plan, the next step will be for you to welcome your screened, trained, and caring **ACCESS Care at Home** Personal Assistant into your home.

Your Personal Assistant completes a background screening process and a care provider training prior to any assignment.
